IMMEDIATE RELEASE

The Executive Chairman of the National Circles Council (NCC), Christopher Damanya and Executive Committee wish to express their profound gratitude to the entire supporters of our great club Asante Kotoko, especially all the Regional Chairmen, Coordinators and Patrons for your collective effort to achieve the desired results last Sunday against our arch rivals Accra Hearts of Oak at the Baba Yara Sports Stadium, Kumasi.

This was as a result of the UNITY OF PURPOSE exhibited by the leadership of supporters which was initiated by the IMC of our dear club led by the indefatigable Nana Akwasi Awuah Apinkra. To the Technical team led by Dr Prosper Nartey Ogum and the playing body, we say 'Ayekoo' for the spirited performance that brought smiles on the faces of our numerous supporters.

Let's finish the rest of the matches with the same approach to change our position on the league table to a respectable one. It is doable
Congratulations once again to us all for a good job done.

Fabulous: The Best

Fabulous: The Greatest

Fabulous: Let's continue to stick together.
