Registration ban implementation

Dear Madam, Dear Sir,

We refer to the abovementioned matter, as well as the decision passed by FIFA in the matter ref. no. FPSD-17518 (the **Decision**).

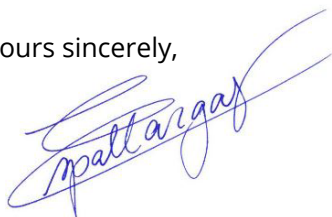

In this context, it appears that, despite the Decision, Accra Hearts of Oak S/C (the **Respondent**) has not yet complied with its financial obligations towards Rene Hiddink.

In this regard, we wish to inform the parties that **a ban from registering new players internationally and nationally has been implemented by FIFA on the Respondent**. The registration ban will remain active **until the amount due is paid and for a maximum duration of up to three entire and consecutive registration periods.**

Lastly, the Ghana Football Association is requested to immediately implement on the Respondent a ban from registering new players at national level, if not done yet.

We thank you for your kind attention to the above and for your valuable cooperation.

Yours sincerely,

Américo Espallargas
Head of Disciplinary
